

# Whisper Lake Phantom

The Whisper Lake Phantom has come to town  
to leave some goodies...I see you have found.

If you wish to make this a happier fall...  
continue this greeting, this Whisper Lake Phantom Call.

Be sure to post this Whisper Lake Phantom where it can be seen,  
and leave it there until Halloween!

This will scare other Phantoms away, who may try to visit,  
be sure to participate, you don't want to miss it!

Make three copies or print from this link,  
<http://whisperlake-annandale.com/activities/>  
now quickly, sneak to your neighbors  
and leave them this note with a treat!

And last, but not least, on October 31<sup>st</sup>,  
come join in with your neighbors,  
WLPOA is hosting a Fall Family Night  
for any partakers!

There will be food, costume contests, hay rides and a photo op,  
keep your eyes open for more details to crop up!

Remember neighbors, who may not have small children,  
they just might like the Phantom to come visit them!
